SEXti NG Advice for parents

Are you talking to your children about the dangers of sexting?

9/10 selfies end up somewhere else on the internet - when you press send, you lose control

It's illegal to take, send or receive nudes of anyone under 18, including selfies!

Not all teenagers are doing it, even if that's what they tell their friends

If they've done it and it's gone wrong, speak to an adult they trust

Remember: it is illegal, but the police will always help young people and safeguard them in the first instance www.dorset.police.uk/sexting
