Woodland Explorers Begin!

This week, Nursery launched our exciting *Woodland Explorers* sessions! The children are developing their independence by putting on their own wellies and waterproof trousers, ready to explore the outdoors.

Each session begins with a fun song or engaging activity and ends with a celebration or story. The children have thoroughly enjoyed discovering nature in our school grounds experiencing the awe and wonder of the natural world all around them.

We're so proud of how confidently they are embracing this new adventure!
