## Year 2 Discover Dragons!

Something *extraordinary* has been happening in Year 2 this week: dragons have been discovered in the classroom! The children arrived to find signs of mysterious visitors: scorch marks on the tables, missing snacks, and even a few shattered pen lids that looked suspiciously like they'd been melted by fire!

To everyone's amazement, a pair of sparkling dragon eggs have also appeared. The excitement didn't stop there as our young dragon keepers have been busy writing letters asking for advice and, as always, their ideas have been bursting with imagination and creativity.

We are incredibly proud of Year 2 for their wonderful storytelling, teamwork, and endless curiosity. It's clear that when it comes to imagination, our children can turn even the most ordinary week into a truly *fantastical* adventure!

## SEND Parent Coffee Morning

We warmly invite parents and carers of children with SEND to join us for a relaxed SEND Parent Coffee Morning on **Thursday 29th January, 8.30–10.00am, in the school hall.**

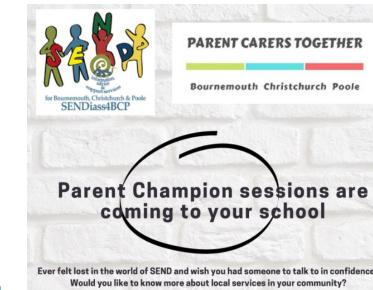

This is a friendly, informal space to:

- Enjoy a cup of coffee and a chat
- Meet and connect with other parents and carers

Get to know our new Parent Champion, who will be there to say hello and share how they can support families

There's no set agenda — just a chance to come together, share experiences if you wish, and feel part of a supportive community. Whether you stay for five minutes or the whole morning, you'll be very welcome.

We really hope you can join us and look forward to seeing you there.

Ever felt lost in the world of SEND and wish you had someone to talk to in confidence?

Would you like to know more about local services in your community?

Do you need support in finding the right place for advice and information?

Would support understanding SEND terms and wording be helpful?
