## Our Values

Thank you to everyone who voted for our new school values. Voting is now closed and we will share with you the results as soon as we can. The importance of creating these values together is so we can make sure that everything we do, from teaching PE to having lunch in the hall, embodies these values.

Attendance and punctuality is so important for your child's education. We are currently at 95.6% which is above national average but we still want to improve. If you are 15 minutes late a day you will miss two entire weeks of learning over the school year: it does matter!
