## The Lion Inside Year 1

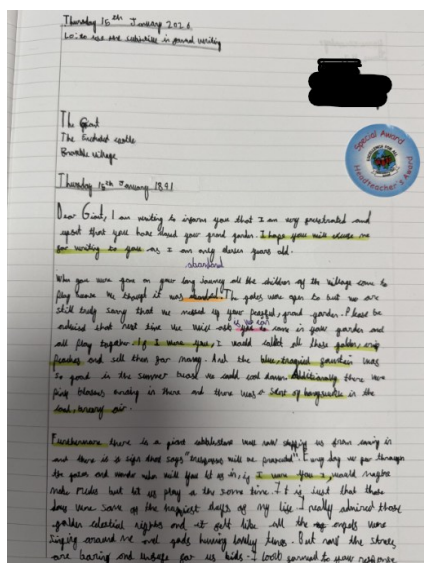

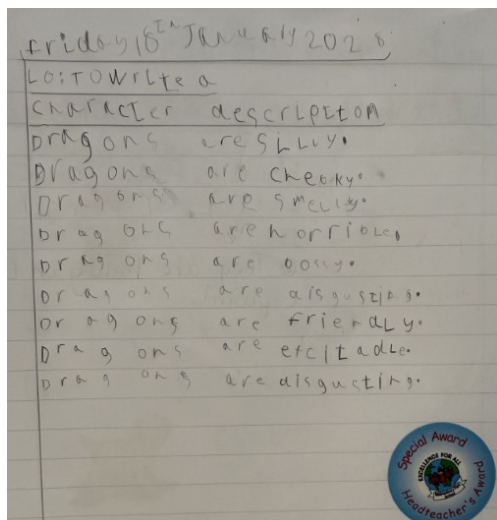

Year 1 have been enjoying the text 'The Lion Inside'. This week we have been focussing on using different suffixes in our writing to compare our characters. Children have broadened their vocabulary by using words such as bravest, loudest, proudest, weaker and stronger.

## Celebration of learning

We love to celebrate pupil's achievement and I am delighted to share some writing across the curriculum in year 2, 4 and 6. We celebrate children's successes when they make progress and by acknowledging the effort the children put into their learning we see a sustained level of improvement and enjoyment.

## Piano Lessons

Just to follow up on piano lessons. We had a huge amount of responses. We have planned meetings with some teachers and once we have agreed timings and costs we will move forward with offering out sessions.
