Our Choirs Shine at the 77th BCP Carol Concert

We are incredibly proud of our talented KS2 choir, who recently joined schools from across Bournemouth, Christchurch and Poole to take part in this year's Bournemouth Schools Music Association Carol Concert at the Bournemouth Pavilion. Now in its 77th year, this much-loved event brought together around 300 performers each evening, creating a truly spectacular celebration of music and community.

Our KS2 children performed a wonderful selection of festive songs; some familiar classics and others new discoveries. Singing in front of thousands of people is no small achievement, and our children rose to the occasion with confidence, teamwork and joy. They represented our school brilliantly, and we couldn't be prouder.

Not to be outshone, our amazing KS1 choir of just 14 pupils also impressed with something very special! Their creativity, enthusiasm and beautiful singing delighted everyone who had the pleasure of hearing them perform.

A huge well done to all our choir members for their dedication and hard work, and a heartfelt thank you to the staff who support them. What a fantastic way to begin the festive season!

Alice in Wonderland Brings Magic to School

We were thrilled to welcome a visiting pantomime company to school today for a wonderfully modern twist on Alice in Wonderland. From the moment the show began, the hall was filled with laughter, excitement and plenty of classic pantomime back-and-forth. The children were completely captivated: joining in, calling out, and clearly loving every minute.

We would like to say a huge thank you to FOMPPS for generously funding this brilliant experience. Their support allowed all our children to enjoy a lively, engaging and memorable performance that brought the story to life in the most magical way.

We are excited to announce that from the 1st December we will be using Instagram as a platform to share the exciting events and amazing learning that is taking place in school. We are using Instagram because it will publish these photographs on our website. We will shortly be sending you a link to opt out via the Arbor app.
