Celebrating the Joy of the Season

This week, St Andrew's Church has been filled with the magical sounds of the festive season as both our KS2 Carol Concert and KS1 Sing-Along brought joy and unity to our school community.

The KS2 Carol Concert was a truly heart-warming event, showcasing the incredible musical talents of our Year 3 to Year 6 students. From traditional carols to modern festive tunes, the children sang their hearts out, filling the church with a sense of wonder and cheer. A huge thank you to Ms Underhill and Ms Guest and the KS2 Team for their dedication and effort in organising and leading this spectacular event. Their hard work behind the scenes ensured the concert was a seamless and memorable occasion for everyone involved. Bravo to all the KS2 students for their enthusiasm and beautiful singing!

Not to be outdone, our KS1 Sing-Along brought its own brand of festive fun! The younger children delighted everyone with their joyful renditions of holiday favourites. Their enthusiasm and energy were infectious, leaving smiles on the faces of everyone in the audience. A special shoutout goes to Mrs. Graves, whose commitment and creative leadership made this delightful event possible. Her encouragement and guidance helped our KS1 stars shine brightly on this festive stage.

Thank you to all the staff, students, and families who attended and supported these events. It was wonderful to see our school community come together to celebrate the season in song and spirit. Let's carry this joy and togetherness into the holiday season!

Daniel Forward, Headteacher

Superstars of the Week

| | | | |
