A Heartfelt Thank You and Farewell

As we approach the end of term, we say some very special goodbyes to members of our Malmesbury Park family. Each of these wonderful colleagues has given so much to our school, and their impact will be felt for many years to come.

Mr Wareham

After over five years of dedicated service, Mr Wareham, our Year 5 teacher, is moving on to an exciting new role at Livingstone Road Primary Academy. The impact he has had on our pupils has been truly remarkable. His commitment, enthusiasm and care, has helped so many children grow in confidence and thrive. We will be incredibly sad to see him go, but we wish him all the luck in the world as he begins this next chapter.

Mr Wrench

We are also saying goodbye to Mr Wrench, who is embarking on a new journey away from teaching. During his time at Malmesbury Park, he has led PE with passion and energy, bringing joy, fun and a love of movement to so many children. His calm, reassuring presence will be dearly missed across the school.

Mrs Streets

After an amazing 20 years of service, Mrs Streets is retiring. Her influence has been profound; she has inspired countless children and is the reason so many of our pupils have found confidence and success in reading. Her kindness, warmth and ability to connect with every child she meets have made her a truly treasured member of our team. We will miss her deeply.

Mrs Yuill

Finally, we say a fond farewell to Mrs Yuill, who is retiring after an incredible 25 years at Malmesbury Park. Her career in childcare is something to be immensely proud of. Her dedication to breakfast club and her unwavering support for our children have been nothing short of extraordinary. We are so grateful she chose to spend so much of her time with our community. She will be greatly missed but forever appreciated.

I will write to you on Monday about our plan for January but it is important that today we focus on what these members of staff have given to the school.

Nursery’s Winter Craft Morning

We had a fantastic time at our recent *Winter Craft Session*, and we’re excited to share some highlights with you!

Our Nursery children loved getting creative, especially when making their very own snowmen using paint, shaving foam, and cotton wool. The sensory table was also a big hit as children enjoyed exploring rice to create their own pretend “hot chocolates,” complete with imaginative stirring and pouring.

Our decorating station was full of festive fun too! Little hands got busy adding sprinkles, icing, and plenty of creativity to cakes and biscuits.

This session was extra special because we opened it up to children who don’t usually attend on Thursday mornings, as well as to the wider community. Thank you to everyone who came along and helped make the morning so warm and memorable.

Superstars of the Week

Caterpillars	Tatiana	Durham	Amelia
Dragonflies	Flint	Glasgow	Zaine
Bees	Sai	Manchester	Amara
Ladybirds	Enes Ismailov	Southampton	Abel
Badgers	Arthur Michelle	Bristol	Perrie
