## Welcome Back to School

Welcome back everyone! We hope you have all had a restful and enjoyable break. It has been wonderful to see our children return to school with smiles, energy, and enthusiasm for learning. We are looking forward to another positive and successful term together.

As we begin the new term, we would like to remind everyone of our school values: **kindness, respect, and resilience**. These values underpin everything we do and we ask that, as adults, we continue to model them for our children every day – in school, at the school gates, and in our wider community.

We know that mornings and pick-up times can feel rushed, and we appreciate how busy family life can be. However, keeping our children safe must always come first. We kindly ask that everyone parks responsibly, gives themselves enough time for their journey, and remains considerate of our neighbours and other road users. Even better, if you are able to park a little further away and walk, this can help ease congestion and create a safer environment for all.

If you do witness any incidents or have concerns about parking or road safety, please report these to your local councillors or the police so they can be appropriately addressed.

Thank you for your continued support and cooperation. By working together and modelling positive behaviour, we help create a safe, respectful, and caring community for our children.

We look forward to a great term ahead.

Mr Forward

## The Garden By Rana and Henry Year 6

This is the garden of the noble giant which is beyond beautiful.

This is the garden where the wind whispers temptations.

This is the garden when the budding flowers make a golden garden.

This is the garden where the emerald grass is dew kissed.

This is the garden where the grand steps lead to a celestial castle.

This is the garden where you dream your wildest dreams.

This is the garden that has been through it all.

This is the garden with enchanted bluebells.

This is the garden of the gods.
