Year 5's Magical Musical Journey at the Library

Last week, our Year 5 pupils had a truly unforgettable experience when they visited the local library for an immersive opera performance. The show brought music to life in an exciting and interactive way, combining beautiful singing with a rich variety of musical instruments.

Children were captivated from the moment the performance began, with some even joining in the singing. The immersive nature of the show allowed them to not only listen but also feel the music, gaining a deeper appreciation for the art of opera and live performance.

It was a wonderful opportunity to broaden their musical horizons and spark their creativity—and many left inspired and eager to learn more about music and performance.

A huge thank you to the team at the library for hosting such an engaging and memorable event!

Daniel Forward, Headteacher

Superstars of the Week

FS1	Ollie	Durham	Mikayla
Dragonflies	Winnie	Glasgow	Davide
Bees	Frankie	Manchester	Fatima Matthew
Ladybirds	Iona	Southampton	Minnie
Badgers	Larisa	Bristol	Ne'vaeh
Otters	Sebastian	York	Tristen
Hedgehogs	Mia	Liverpool	Darrien
Kestrels	Dexter	Edinburgh	Jamie
Kingfishers	Nevaeh	Oxford	Muhammed
Owls	Mona	Cambridge	Aron
Warwick	Polina	UCL	Alice

Year 1 Go Wild with Data in Computing!

In Computing this week, Year 1 have been busy combining creativity with digital skills as they explored data handling in a fun and engaging way. The children began by counting different zoo animals and recording their findings in a table.

Next, using Sketchpad on the Chrome pads, they transformed their data into colourful pictograms. They carefully selected clip art and added text to show how many of each animal they had spotted. The activity not only helped them practise organising and presenting information, but also sparked their imagination.

It was a fantastic way to develop early computing skills while having lots of fun—well done, Year 1!

Parent Meeting

Year 6 parent meetings will take place on the week beginning 19th May (after SATs). I do apologise for the booking system with parents evening as I know it caused many families problems. If you did have any other thoughts about the changes we made please let me know.
