## Welcome Back for the Summer Term!

We hope you all had a restful and enjoyable Easter break. It's been lovely to see the children return with big smiles, ready for the exciting term ahead!

The summer term is always a busy and vibrant time in school, and this year is no exception. We have a packed calendar full of fantastic events and opportunities for the children to shine. Look out for details on **Sports Day**, **Class Trips**, **Parents' Evening**, **Art Week**, and of course, the eagerly awaited **Year 6 Production**. These events help bring learning to life and create lasting memories for our pupils.

As well as all the exciting extras, we'll also be focusing on an important area of school life: **presentation in books**. We'll be encouraging all children to take pride in their work, from beautiful handwriting to careful layout and organisation. This helps children value their learning and reflects the high standards we set here at school.

We're looking forward to a fantastic term ahead, full of learning, laughter and success. Thank you, as always, for your continued support.

Daniel Forward, Headteacher

## Reminder About Water Bottles

We kindly remind all parents and carers that it is your responsibility to ensure your child(ren)'s water bottles are cleaned and disinfected regularly.

Water bottles should be taken home **every evening** and washed thoroughly, ready for use the next day.

For hygiene reasons, any bottles left in classrooms overnight **will not be used** the following day. Instead, they will be emptied, set aside, and returned to the child to take home for cleaning.

Thank you for your support in helping us maintain a clean and healthy school environment.
