

Year 4 and Pompeii

Year 4 have been learning about the eruption of Mount Vesuvius in AD 79 and the devastating impact it had on the city of Pompeii. As part of their work, pupils wrote vivid accounts imagining they were there at the time. This particular piece describes what two children witnessed as they escaped the city by boat, capturing the fear, chaos and urgency of that dramatic event.

Parent Champion for SEND – Confidential monthly support and advice for families

As a school we want to play a role in improving SEND services for our children. We have an opportunity to provide a confidential space here in school for families of children with SEND through the Parent Champion project delivered and funded by SENDiass4BCP and Parent Carers Together.

Each month a dedicated Parent Champion will hold one session to support families in navigating appropriate local and national services and networks to meet the needs of their children. Time slots will be allocated to individual families on a first come first served basis and are held in confidence during the school day. To enable us to plan ahead for these sessions we are asking parent/carers to email an expression of interest to sendco@malmesburypark.bournemouth.sch.uk. The first Parent Champion sessions will be on Thursday 12 February from 09:00 - 10:50. Please contact us with your preferred timeslot:

09:00 - 09:30
09:40 - 10:10
10:20 - 10:50

If you are experiencing difficulties and are unsure where to access the support and resources you need, please do get in touch. The role of the Parent Champion is to listen and to share knowledge of the services and the networks in your local community that may be of help to you.
