## Martial Arts Coming to MPPS

We are delighted to announce that FOMPPS have successfully raised enough money for every child in the school to enjoy a martial arts lesson led by a trained instructor.

Thanks to the fantastic efforts of the FOMPPS team and the generosity of our school community, funds collected from bake sales, winter fairs, and summer fairs have made this exciting opportunity possible for all our pupils.

Over the next three weeks, every child will receive their session in school!

The office will send out a message one week in advance to let you know which day your child will be taking part, so they can come to school dressed in their PE kit.

### KS1 and KS2 Concerts at St Andrew's Church

As we approach the festive season, we are delighted to share details of our upcoming KS1 and KS2 concerts, which will once again be held at St Andrew's Church. Inclusion is at the heart of everything we do and the concert is open to people of all faiths. Our concerts focus on celebrating the season through non-religious songs and by telling the Christmas story in a way that is accessible and enjoyable for all.

We hope as many children as possible will be able to attend and take part. St Andrew's Church have kindly offered us the use of their space, as a performance of this size would not fit comfortably in our school hall. We are very grateful for their support, which enables all of our pupils to perform together and share their hard work with families.

If you would like more information about the script or the songs being used this year, please get in touch.

---
