

HELP US GROW OUR SECRET GARDEN!

Calling all budding designers, nature lovers, and garden explorers!

Our school garden is getting a **makeover**, and we want **YOU** to be the head architects. This isn't just a patch of grass; it's a blank canvas waiting for your imagination.

The Challenge

We want a space that is full of **nature, peace and discovery** – a place for planting and growing, for quiet moments and for curious minds.

Need some inspiration? Think about including:

- **Wildlife wonders:** Bug hotels, bird baths, or a butterfly border.
- **Sensory spaces:** Crunchy gravel paths or wind chimes.
- **Quiet corners:** A "storytelling" chair, benches or logs to sit on.
- **Vibrant colours:** Rainbow flower beds or giant sunflowers.
- **A "green" theme:** Can you include a way to collect rainwater or a compost bin?

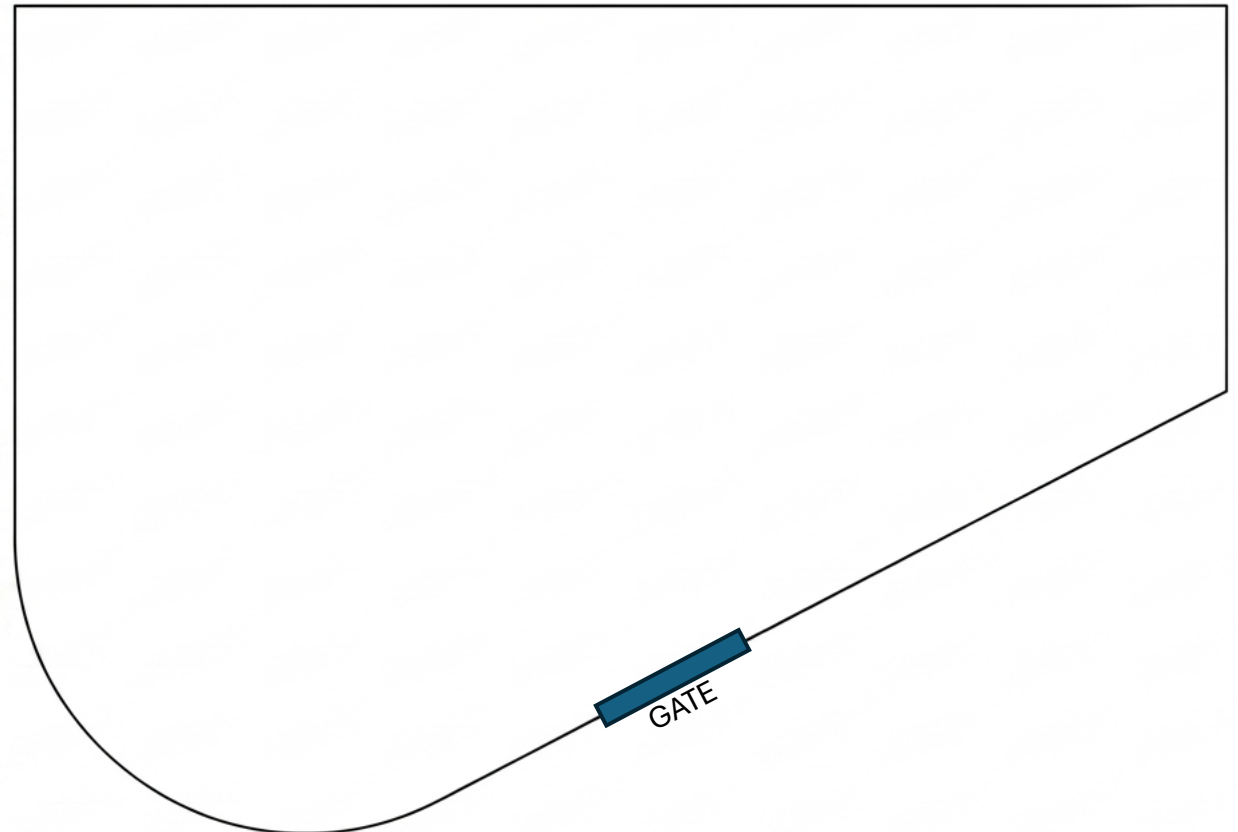

DEADLINE:

All entries must be in by **Friday 24th April**
